CANCELLATION FOLLOWING DEPARTURE

If the Skipper cuts a trip short for whatever reason (most likely weather/safety) we may refund a portion of the day based on the time elapsed during an 8 hour period. A normal day will include time loading and off-loading, fishing for live-bait and travelling time to and from the fishing grounds.

RE-BOOKING FOLLOWING CANCELLATION

Should your charter be cancelled by us, for whatever reason, it is your responsibility to call the office to arrange another departure date or request a refund.

TERMINAL TACKLE & BAIT

All terminal tackle required is supplied free of charge.

Some bait is provided on trips for free but please check with your Skipper or office as to any extra bait that may be required. Some forms of fishing may require additional bait and that will be at a cost to the customer. If in doubt, please ask first.

JIGS

Jigs and Lures will be charged for if lost at a current retail cost.

You are welcome to bring any of your own gear however; any damage or loss of your gear is entirely your personal responsibility. Personal items including fishing equipment is not covered under our insurance.

DAMAGE TO OR LOSS OF OUR GEAR

The customer is liable to pay costs for any accidental or deliberate damage, or loss, caused by you, to our gear.

Avoiding Damage to Rods and Reels

Some common causes are noted below:

“High Sticking”

This is when you lift the rod above an angle of approximately 90° and you have a fighting fish on the other end. The rod can easily snap.

“Rod Holder Placement”

The rod should not be placed in a rod holder whilst you are fishing. It's equivalent to “high sticking” if a fish takes the bait.

“Touching the Edge”

This can happen when you are bringing in a large fish and the rod touches the side of the boat. It's similar to breaking a stick across your leg. The rod will respond to the pressure point in the same way and often snaps.

“Rod & Reel Loss”

Luckily it isn't a common occurrence. However, if a fish manages to pull the rod and reel overboard and you are the person using it at the time, you are liable for the replacement cost.

“Unattended Rod & Reel”

Rods and reels left lying around the boat without proper attention are liable to loss or damage.

ACCOMMODATION

Please make arrangements with us at the time of booking to ensure availability.

FOOD AND DRINK

Trips are catered for upon request at time of booking.

ALCOHOL

We are happy for you to pack a few beers etc for the trip but please consume in moderation. We reserve the right to go back to the wharf if people have consumed unreasonable amounts of alcohol and become unruly or uncooperative.

SAFETY

We take the safety of our customers very seriously and have an excellent safety record. You will receive a safety briefing at the wharf prior to departure.

Our primary concern is for your safety and you must comply with any instructions from the skipper immediately and without dispute. This includes the donning of life jackets when conditions warrant, or for any other reason the Skipper determines necessary.

Ages of children: There is no set age for children, however, if you are unsure whether some of your friends, family or children can cope with boating and sea conditions, then feel free to give us a call to discuss.

SEA SICKNESS

If you think that motion sickness could be an issue, we recommend sea-sickness tablets should be taken prior to the trip as a precaution.

NO refunds are given if customers are sea-sick or require us to take them back to the wharf.

HEALTH CONDITIONS

Please notify us of any serious health conditions. Fishing of this type is physically demanding. Consult your healthcare professional for advice before making a booking if you have any concerns.

CLOTHING

Make sure you prepare for a range of weather conditions and bring enough clothes to stay dry and warm. In Winter thermals, rainproof jacket and beanie are recommended. Waterproof leggings are also recommended for Winter. In all seasons bring a hat, sunglasses and sunscreen. For safety reasons we do not advise the wearing of gumboots.

SUSTAINABILITY

Nautilus Charters supports sustainable fishing practices. Fishing is our life and we want future generations to be able to enjoy it as much as we do. We encourage all our customers to release what they catch, especially the large breeding stock. Should you wish to keep a Kingfish we have a limit of ONE KINGFISH PER PERSON/DAY.

Ultimately we want to make sure you get a photo of a big fish in your arms.

FISH FILLETING & SMOKING

Fish filleting and fish smoking are additional costs and must be arranged at the time of booking.

PHOTOGRAPHY AND VIDEO

We may take photos and/or video of you fishing. These are the property of Nautilus Charters and we can use them on any medium to promote our business such as on our website or on social media. You will need to contact us in writing prior to the trip if you do not want pictures of yourself used on any medium.

We are not responsible for photos and/or videos taken by our other customers. You will need to manage this circumstance yourself, should you not want your image recorded.

You are welcome to take as many photos/videos as you like for your own collection.
